

You want it?...
We've Got It!

www.cbmerrill.com

THE GOOD NEWS:

“A dollar spent at a locally owned store is usually spent 6 - 15 times before it leaves the community. From \$1, you create \$5 to \$14 in value within that community.”

THE BAD NEWS:

“Spend \$1 at a national chain store, and 80% of it leaves town immediately.”

Thank you for supporting

Local Businesses

And contributing to
a sustainable economy
within our community!

Quote: Tim Mitchell, first cited in *E Magazine*, article available through the Northwest Earth Institute's *Choices for Sustainable Living* discussion course book.
